**Keynote Speaker: Ken Vanderlip, Ph.D.
Mindfulness and The Way of a
Compassionate Warrior**

Relationships

Courage - Humility - Congruence

The bravery to show up in vulnerability, take risks, fail, and rise again. The character to own one's actions and participate in apology and forgiveness. And the consonance to treat others in the way one would like to be treated. Relationships is about service to humanity - practicing mindfulness and reflection to heighten engagement - and above all else, love.
