

## **About OC-CAMFT Sponsorship in 2022**

Sponsors are a vital part of our OC-CAMFT community. With their support we are able to offer exciting programming for LMFTs, pre-licensed practitioners, associate clinicians, and other affiliated professionals. When you become a sponsor, you are welcomed into a compassionate community, and become part of a collective effort to bring healing and well-being where it is needed. We are incredibly grateful to our sponsors who support our not for profit mission and allow us to continue offering opportunities and events to the OC MFT community.

Some of our events are in person and some are webinars. We have revised our sponsorship levels to ensure our sponsors are engaging as much as possible with our community on an online presence as well as in person.. If you have any questions feel free to reach out to Vanessa Cardin at [sponsorship@occamft.org](mailto:sponsorship@occamft.org)
